

Scholarship Application

Coronado Aquatics Club (CAC) strives to ensure every child who wants to play water polo gets the opportunity to do so. In that regard, the All-Volunteer Board of Directors for CAC has a goal each season of providing scholarships to those players who demonstrate the desire to play and the need for financial assistance. Once selected, scholarships are subjected to seasonal renewal, and renewal is not guaranteed. Scholarships are limited to a maximum of 50% of dues and do not include camps, trips, tournaments, and league fees. The number of scholarships provided each season is limited.
